

Pete Carroll
Regional General Manager

35 years in the industry
30 years with GES

Pete has been with GES for 30 years. He was promoted to Division General Manager of the North Division to include Chicago, Baltimore, DC, Philadelphia and New Jersey Operations. Over these years, Pete has built a strong knowledge of both freight and production, though his specialty lies in the freight aspect of our business. Pete's current leadership role solidifies his ability to lead the North Division team to success with shows such as Chicago Auto Show, International Manufacturing Technology Show, AUSA and the Coterie show.
