Dear IAEE Midwestern Chapter Colleague,

The Board Development Committee of IAEE Midwestern Chapter invites nominations for the Board of Directors with terms beginning January 1, 2021. Please take a few minutes to review the attached document which describes Board member selection criteria and responsibilities and give thought to nominating an outstanding individual for Board service. Directors are elected to three year terms and may serve a lifetime maximum of two terms.

We encourage you to evaluate your personal competencies and interests and nominate yourself if you are so interested. Before nominating someone other than yourself, we ask that you seek that person's agreement to be nominated and ask him/her to provide a comprehensive written summary of her/his prior service to IAEE and/or the IAEE Midwestern Chapter.

The Board Development Committee will review all nominations in accordance with the criteria that have been established for Board service (see attached), and a slate of nominees will be presented to Chapter members on September 1st. A ballot will be sent out to the membership on November 2nd 2020, for approval of the slate.

Strong leadership is a hallmark of the IAEE Midwestern Chapter. We seek highly qualified and highly committed members for service on the Board of Directors. We appreciate your participation in identifying outstanding professionals for this rewarding volunteer experience. If you have any questions, please feel free to contact either of us.

Send complete nomination materials to the IAEE Midwestern Chapter office as soon as possible or no later than August 1, 2020.

Sincerely,

Jean Heis, CAE, CMP
2020 Board Development Chair
